

## **News about Edgworth Recreation and Cricket Club and the Barlow Charity**

We are delighted to announce a new spirit of co-operation and collaboration between Edgworth Cricket and Recreation Club and the Barlow Charity.

The Trustees of the Barlow and representatives of the Cricket Club have been meeting regularly over the past few months to set the groundwork for a new relationship which will be the basis for the development of areas of mutual interest and advantage.

After much frank discussion, the Trustees and the Committee of the Cricket Club have come to an agreement about a commercial lease rental, effective from 1st January 2019. We are looking forward to collaborating on new and exciting developments for both the Cricket Club and the Barlow Charity.
