Dave Enright
Edgworth Cricket and Recreation Club

Dear Dave Enright

The Trustees have asked me to inform you that in the absence of any response from Jon Crompton to their letter to him dated 26th April, they are unable to give further consideration to the proposal at this time.

As regards the Viridor funding for the cricket nets, the Trustees wish to confirm that the initial plan (agreed by Colin Rigby and Christine Waring) to place the nets near the score hut still stands. The Trustees do not give permission to place the nets adjacent to the tennis courts as per your artificial pitch proposal.
